

Homework

As a guardian, you can get email summaries about your child's activity in Google Classroom. Email summaries do not include grades.

In email summaries, you can review:

- Missing work—Work not turned in when the summary was sent.
- Upcoming work—Work that is due today and tomorrow (for daily emails) or that is due in the upcoming week (for weekly emails).
- Class activities—Announcements, assignments, and questions recently posted by teachers.

Please be aware this does not include marks given for work, or direct access to the work itself.

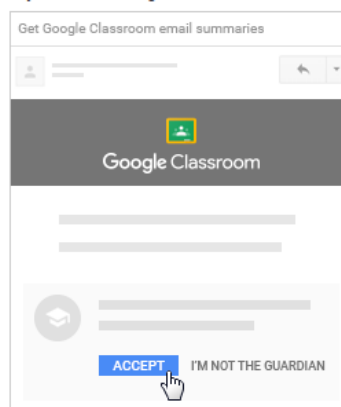

It is important that the school has your most up to date email address as your email summaries will be sent to the email account held on the school system.

To get email summaries of your child's work, you must accept an email invitation from the school IT administrator. You will have to accept the invitation before it expires.

THIS DOCUMENT WILL SHOW YOU HOW TO GET GUARDIAN ACCESS

Step One In your email, open your email invitation

Step two Click Accept.

Step Three Click Accept to confirm.

When you accept an invitation, you will get an email confirmation.

Step Four Once you have joined the classroom, you will receive regular, automatic email summaries for your child/children. Guardians choose the frequency of the email, daily or weekly and can unsubscribe at any time. (We suggest that you initially set to daily).

The link below gives you further information on Google Guardian Summaries.
