## Acceptable School Shoes

All pupils should wear formal, plain black school shoes.

Pupils should not wear shoes that have logos, backless sandals, branded trainers or 'leisure' shoes. We have put together the following guidance sheet, to provide further clarification to assist you when purchasing footwear. The following photographs illustrate examples of acceptable

## **✗ Unacceptable School Shoes ✗**

**No trainers, no airforces, no ballet pump style shoes, no boots, no suede shoes, no crocs and no canvas shoes**

School shoes are particularly expensive, but we have had some issues with parents spending a lot of money on footwear which clearly does not take note of the school's policy. Indeed, we are told that many retail outlets promote these trainer like shoes as being 'school shoes'. In our view, footwear of this type is not formal and is consequently not appropriate for our school.

## **PLEASE NOTE**

**If your child comes to school in unsuitable footwear they will be confiscated until a parent or carer comes to collect them.**

**If they do not have appropriate footwear with them they will be given plimpsols to wear, these will need to be returned in exchange for their trainers.**
