

BROOMFIELD SCHOOL

Head Teacher: Mr P. P. Travis

19th March 2020.

Dear Parents/Carers,

Re: Coronavirus update – school closure to most pupils

As you may be aware, yesterday the Prime Minister instructed schools to close to almost all children after this Friday until further notice.

As advised by the Government, we will be working with the Local Authority to ensure that schools stay open for the children of key workers (e.g. NHS staff, police, others in frontline services) and children with certain needs.

We are waiting for the Government to publish more information on what this means, but it would help us in the meantime if you could let us know if you think your child may fall into one of these categories. The best way to contact us is through our school email office@broomfield.enfield.sch.uk . We will be in touch again as soon as we have more detailed information.

All other children are to stay at home, so we ask that you do not send your child into school from Monday 23rd March 2020 onwards.

As you are aware this is a national closure and at the moment the Government has not told us when schools will fully re-open.

It appears as though schools will be closed for some considerable period. It is very important that our children continue their education none the less. We shall therefore be providing work for all year groups on our school website. Please ensure that the guidance given is followed. The website will be updated frequently and therefore please check this often.

By the end of this week there will be planned curriculum based activities and timetables on the school website under the ‘Work for Pupils’ menu.

If your child usually receives free school meals we hope to be in touch with more information about how this support will continue.

We shall continue to use MyEd, text messages, social media and the website to communicate with families during this time.

With very best wishes.

Yours faithfully,

P. P. Travis,
Head Teacher.
